### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Prior art fails to show or suggest an illumination control system and control method comprising a rotation detecting section for detecting the rotation of the filter which is located in the path of the light emitted from the light source and which is driven by a rotational driver, an abnormality determination section to detect whether status of the filter is normal and a filter removing section that removes the filter from the path of the light when the filter rotation is abnormal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to laura tso whose telephone number is 571-272-2385. The examiner can normally be reached on M-F 6:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, sandra o'shea can be reached on 571-272-2378. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
